Unlock the Power of Your People with Everything DiSC®

Our assessment-based learning experiences **help your people better understand themselves and others—empowering them to work better together.** By combining self-assessments with flexible facilitation, all powered by the Catalyst™ platform, learners will experience rich "aha!" moments that **inspire lasting behavior change.**

Everything DiSC® is built on the foundation of the DiSC® personality model.

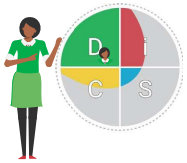

When your people truly know themselves and others, they can show up as their authentic selves in the workplace, increasing cohesion and improving organizational culture.

Transformational Learning. Human Impact.

We believe effective human skills are at the core of thriving organizational cultures. When people feel understood and valued, **they are more engaged, increasing productivity and performance.** But building these skills requires a uniquely human approach that combines personalization, social learning, and ongoing reinforcement for lasting impact.

That's where Everything DiSC® comes in. It's a simple yet powerful experience that helps people understand themselves and others, so they can build better relationships and work better together, everyday.

With Everything DiSC, learners will:

1. **Discover their unique style** by taking a DiSC® assessment

2. **Get real-time insights** through in-person or live facilitation

3. **Apply learning in critical moments** using short-form modules, action plans, and interactive tools on Catalyst.™

Make a Lasting Impact with Catalyst.

Catalyst™ is a personalized learning platform that acts as each **learner's home base** throughout their DiSC® journey. Built to improve performance by enhancing employee interactions at scale, **Catalyst brings DiSC to life** through interactive features that support ongoing learning, application, and practice:

Your DiSC® Style:
Deepen self-understanding through the lens of each learner's unique DiSC style and insight into their own preferences and tendencies.

Your Colleagues:
Turns insights into action by connecting learners to their colleagues and offering real-time tips for more effective interactions with specific coworkers based on DiSC styles.

Your Groups:
This interactive feature helps teams work better together by combining DiSC and group insights, building cohesion while adapting their behavior for optimal performance.

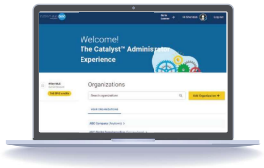

Get Advice:
Apply DiSC to real-world situations by equipping individuals with personalized insights and practical strategies for connecting, collaborating, getting buy-in, and managing tension with colleagues.

The result is lasting impact. When learners use Everything DiSC® on Catalyst, the hard work of long-lasting behavior change is possible... even fun.
